# THE COMMISSIONER'S CORNER

JANUARY 2025

WELCOME TO THE CENTRAL DISTRICT'S

## Monthly Newsletter

### Compass Data Center Groundbreaking

LARGEST INVESTMENT IN MISSISSIPPI HISTORY

Commissioner Stamps joined state and local leaders at the groundbreaking ceremony at the Compass Data Centers, marking the largest capital investment in Mississippi's history. This multi-billion-dollar project will create hundreds of jobs and position the state as a key player in the tech industry. Not only is this a great investment for the state of Mississippi, but it is located in the heart of the Central District. Commissioner Stamps praises the investment as a major steps toward economic growth and innovation, emphasizing its long-term impact on job creation and digital infrastructure.

### Important Update

Commissioner Stamps met with Reedtown Water Association to discuss the ongoing issues concerning their water system. While the Public Service Commission does not regulate water associations, Commissioner Stamps is dedicated to improving infrastructure to ensure that residents under this system have their basic utility necessities met. He will continue to work with Reedtown within his regulatory authority.

## MLK Day Luncheon

### THE ROADMAP TO PROGRESS

On January 20, 2025, Commissioner Stamps served as the keynote speaker at the annual Martin Luther King Jr. Breakfast in Grenada, Mississippi. This annual event allows state and local leaders to gather and share words of wisdom to continue the teachings of Dr. King. Grenada holds a special place in the Civil Rights Movement, as Dr. King visited in 1966, delivered a speech, and even held a march with students. Commissioner Stamps was elated to serve as the keynote speaker at this impactful event., whihc celebrates Dr. King’s enduring legacy. In his passionate speech, Commissioner provided the audience with a “roadmap” for progress and urged the community to blossom into its full potential.

## Disaster Relief Assistance Available

Governor Reeves has announced that there is financial support available for homeowners and small business owners who were affected by the storms in December. Stay informed [click the link to learn more!](#)

## Atmos Energy Town Hall

### Working Together for a Safer Community

On January 4, the Central District along with Atmos Energy and MS Moves hosted a town hall featuring representatives from each stakeholder. The event focused on gas safety, providing valuable information to the community members and addressing concerns. Attendees engaged in discussions about safety protocols , recent incidents, and preventative measures to ensure the well-being of residents. This amazing collaberation underscores our districts commitment to partnership and community advocacy.
